PASO DEL NORTE
COMMUNITY FOUNDATION

OUR LINE OF WORK

GROWING A COMMUNITY
OF PHILANTHROPY

A LETTER FROM OUR BOARD CHAIR AND CEO

Dear Friends:

Papel picado – the inspiration for our 2022 annual report – embodies the beauty of our binational, tri-state region. The intricate, complex, and sometimes fragile designs represent our challenges; the color, creativity, and skill represent the diverse, vibrant, talented, committed, and generous residents of our region.

The Paso del Norte Community Foundation was established in 2013 to support the philanthropic goals of individuals, families, corporations, foundations, and nonprofit organizations to improve health, education, social services, economic development, and quality of life in our binational, tri-state region.

The Foundation has invested \$87.6 million in grants and charitable expenses since inception with \$23.7 million in gifts and pledges from 8,153 donors and partners, and \$19.9 million in grants and charitable expenses in 2022.

AS WE EMBARK ON OUR 10TH ANNIVERSARY IN 2023, WE ARE PLEASED TO SHARE THE IMPACT OF OUR WORK IN 2022 ACROSS OUR FOUR PRIORITY AREAS IN THE BEAUTY AND SPIRIT OF PAPEL PICADO.

Priority Area: PHILANTHROPIC GIVING

We welcomed 26 new funds to our community of philanthropy and grew endowment assets as part of our more than 200 Donor-Advised and Designated Funds to \$14 million in 2022. We invested more than \$19 million in grants and charitable expenses in partnership with our Donor-Advised and Designated Funds, including major gifts to the El Paso Children's Museum, El Paso Children's Hospital, Texas Tech Foundation, FEMAP Foundation, El Paso Child Guidance Center, and more.

We collaborated with our Designated Fund partners to support charitable projects, including the Bracero Museum in partnership with the City of Socorro Community Initiative and the 64-foot mountain lion mural made from recycled materials by Portuguese artist Bordalo II led by the Green Hope Project in partnership with Franklin Mountain Investments.

Through the year, we celebrated the dedication of the new Texas Tech Francis Graduate School of Biomedical Sciences thanks to the generosity of the Ginger G. and L. Frederick Francis Foundation and awarded over \$200,000 in scholarships for higher education in partnership with 38 scholarship funds including the EPISD Education Foundation, Deby Lewis Foundation, FirstLight Community Foundation, CommUnity en Acción, Carl L. and Sandra Wright Scholarship for Women in STEM, and Tito's Way. Additional scholarships for the Texas Tech Gayle Greve Hunt School of Nursing were supported thanks to a truck raffle generously sponsored by CASA Ford. We also recognized loved ones with new funds established in memory of Andrea Dorsey Kirs, Jim Omohundro, and Ann and Matt Fennell.

Priority Area: COMMUNITY PROJECTS

The Downtown Deck Plaza Foundation and Community Advisory Committee were established to build awareness for the potential Deck Plaza over I-10 in the downtown corridor. We partnered with the City of El Paso on a \$900,000 RAISE grant from the U.S. Department of Transportation to support the further design, engineering, and community engagement for the project with \$400,000 in matching funds. In partnership with the El Paso Museum of Art Foundation, we worked to launch a campaign to develop the Star Ceiling Project by El Paso-born artist Leo Villareal. Additionally, we helped secure more than \$9 million for the City of El Paso and Texas Department of Transportation to develop 10 more miles of the Paso del Norte Trail.

Priority Area: NONPROFIT INVESTMENT

In the area of Nonprofit Investment, we hosted the second annual Nonprofit Conference: *Reimagine!* at the Starlight Event Center with 300 participants and a fantastic line-up of keynote speakers, panelists, sponsors, and volunteers. The Foundation led the inaugural Gator Tank, a fast-pitch competition that provided six small and medium sized nonprofits with the opportunity to train and build capital through mentor sessions and the chance to win up to \$18,000 in cash prizes. We also organized the 7th Annual El Paso Giving Day raising \$1.2 million for 222 nonprofit organizations with \$231,000 in matching funds from Marathon Petroleum, The Melinda and Meyer Marcus Family Foundation, de Wetter Family Charitable Foundation, WellMed Charitable Foundation, and Sunflower Bank, \$30,223 in incentive prizes, and 6,855 individual donations.

Priority Area: **COMMUNITY RESILIENCE**

In 2022, we partnered with the City of El Paso and County of El Paso to provide \$12 million in rental assistance as part of the EP Rent Help program, bringing total rental assistance to \$38 million for over 8,500 tenants in need from 2020-2022. We partnered with El Paso County and Paso del Norte Health Foundation for the distribution of \$9.7 million in American Rescue Plan Act (ARPA) funds for nonprofit organizations. A generous donation from United Healthcare was made to support promotora outreach in partnership with the Texas A&M Colonias Program and the University of Texas at El Paso.

A special thanks to our board members, staff, donors, and partners for your leadership, generosity, trust, and commitment to growing our community of philanthropy. We invite you to learn more at pdnfoundation.org.

Sincerely,

Leonard “Tripper” Goodman III

GINGER G. AND L. FREDERICK FRANCIS FOUNDATION

TRANSFORMING THE FUTURE OF BIOMEDICAL SCIENCES

In 2022, the Paso del Norte Community Foundation was honored to stand alongside Rick and Ginger Francis and their family as they announced a \$10 million leadership gift through the Ginger G. and L. Frederick Francis Foundation to endow the fourth and final school at the Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso). Thanks to their generosity, the L. Frederick Francis Graduate School of Biomedical Sciences will provide limitless pathways for students to advance their education and make lifechanging discoveries.

As a former Texas Tech University Regent, Mr. Francis' visionary leadership led to the creation of the TTUHSC El Paso just 10 years ago. The only health sciences center on the U.S.-Mexico border, TTUHSC El Paso now includes the Foster School of Medicine, Hunt School of Nursing, Hunt School of Dental Medicine, and Francis School of Biomedical Sciences.

Rick and Ginger Francis set up the Ginger G. and L. Frederick Francis Foundation in the Paso del

Norte Community Foundation in 2017 to facilitate leadership gifts like these to improve health, contribute to economic growth, and advance our borderland community.

We are grateful to Rick and Ginger for their investment in our future health care leaders and for their unwavering love of our El Paso community.

// *Once in a lifetime, one has the opportunity to be a part of an idea which can have a profound impact on the community. I've been fortunate to be part of such an endeavor in the borderplex – the campus that is now TTUHSC El Paso. Ginger and I are proud to endow the Francis Graduate School of Biomedical Sciences, and help make history as TTUHSC El Paso reaches yet another milestone.* **//**

ANN AND MATT FENNEL SCHOLARSHIP FUND

FAMILY ESTABLISHED SCHOLARSHIP FUND TO HONOR THEIR PARENTS' LEGACY

The Ann and Matt Fennell Scholarship Fund was established by their children to honor their parents' legacy and to support the education of the next generation of nurses. Inspired by Ann's career in nursing, and the kindness and dedication of nurses who cared for Ann and Matt throughout their lives, their family was pleased to share this scholarship opportunity for students pursuing a career in nursing.

// *Our parents strongly believed in education and service to others. This fund is a way for our family to honor that legacy and carry it forward in their names. ANDREA DORSEY KIRS LEGACY ENDOWED FUND

CHARITY BEGINS AT HOME

A native daughter of Texas, Andrea was one of four Dorsey children born and raised in west El Paso. She was passionate about traveling and visited places all over the world and most of the United States, but El Paso was her beacon. She owned Dorsey's Gift Shop, which provided her with the opportunity to be part of the special moments of so many people's lives through gifts and significant life announcements.

Andrea loved El Paso and, together, she and her husband, Peeter, chose to entrust a portion of their estate to the Paso del Norte Community Foundation and the Robert E. and Evelyn McKee Foundation, benefitting each with very significant gifts. Andrea had a loving and giving heart and is celebrated for her generosity. With an endowed fund named in her honor, Andrea will share her love for El Paso for years to come. The Paso del Norte Community Foundation is humbled to honor Andrea Dorsey Kirs' life by stewarding the funds she and Peeter entrusted to continue making El Paso a better place.

jaclynstrong FOUNDATION

HOPE AFTER TRAUMATIC BRAIN INJURY

The jaclynstrong Foundation was created by Jaclyn Pellicotte, her parents Sheri and Dennis, and her brother Jacob with the goal of providing support and hope to individuals who have suffered a traumatic brain injury (TBI).

In 2018, Jaclyn was involved in a horrific car accident and suffered a traumatic brain injury. Due to the severity of her injuries, Jaclyn and her family were told she would be in a vegetative state for the remainder of her life. After months of therapy and perseverance, Jaclyn made a tremendous recovery and she and her family decided they wanted to bring hope to others by creating the jaclynstrong Foundation.

“*We are beyond blessed to be realizing this dream of launching the jaclynstrong Foundation and we are so grateful to the Fox Family for connecting us to the Paso del Norte Community Foundation. We know in our hearts that God brought us all together to help those who may be feeling like they have nobody else.***”**

BORDALO II MURAL

TRASH INTO TREASURE, PORTUGUESE ARTIST, BORDALO II, COMPLETED MOUNTAIN LION MURAL MADE FROM RECYCLED MATERIALS

The Paso del Norte Community Foundation partnered with Franklin Mountain Investments (FMI) and Green Hope Project to bring world-renowned artist Bordalo II to El Paso to install a 64-foot mountain lion mural on the west wall of the ONE San Jacinto Plaza building in Downtown El Paso. This is the first installation for Bordalo II in Texas and there are fewer than fifteen in the United States. This beautiful installation was made possible thanks to the generosity of our donors and community partners.
